| CONTACT PERSON | Mr. Lok Khadka |
| CONTACT NUMBER | 00977-9841837894 |
| LOCATION | Kirtipur, Kathmandu |
| COUNTRY | Nepal |
| THEME/TYPE OF PROJECT | Teaching English, Science, Math and General Knowledge (if the subject is in english medium). Specially focus on English teaching to the student. |
| AIMS OF THE PROJECT | The Students are in community school comes from nearby village and most of them from the family who has very weak financial background. The aim of the program is to provide strong english language and speaking environment for children, youth and develop their english communicative skills and writing. |
| PROJECT'S ACTIVITIES | Vaishnabi Secondary School is a community school that offers schooling from class nursery to ten. The school management and partially government have been providing financial support to pay for the teachers and other infrastructures which will be needed for the school. This school has 120 students with 20 staffs. |

| | |
|--|--|
| <p>COMMUNITY CONTEXT</p> | <p>Vaishnabi Community School is located in Kirtipur. Kirtipur is one of the oldest Human settlements in the Kathmandu Valley. This tiny town is recorded as an ancient capital of Nepal. Kirtipur means “a famed town” in Nepali language is also known as “kipu” and “kyapu”. The location of this small town is different from the other main towns of the valley in the same that occupies the top of a steep rocky hill. This city of glory is inhabited and also dominated by Newars which are the earliest settlers in the Valley with their own language and cultural norms and values. Originally a Newari foundation, it is no doubt that Kirtipur is still a centre of Newari culture. Volunteers can observe the local festival of the people. They do have their own language Newari Language, it is also known as Nepal Bhasha. It was Nepal’s administrative language from 14th to the late 18th century. They always use Newari language when they talk to each other. However now a day’s people of different casts and religion stay in this place. So it consists of many Temples, Gumbas and Churches as well. They always use their local language when they talk to each other. The place is somehow can see as crowded of students because of the university, called Tribhuvan University. Volunteers can observe the life of Newari people and culture and in leisure time they can walk and see very historical place Bagh Bharab, Chovar Gorge and Taudaha Lake.</p> |
| <p>VOLUNTEER’S REQUIREMENTS</p> | <p>Volunteers must be 20 years old minimum. Volunteers must show eagerness, the ability to maintain motivation and reliability. Related to this, volunteers need to show creativity and initiative when planning and taking part. Most importantly, volunteers need to have confidence with knowledge of the related subject in their teaching and management skills to ensure an effective support. Volunteer needs to have extra ordinary that they can give to the children, they need to focus student on extra activities that they can provide to them.</p> |
| <p>VOLUNTEER’S TASKS</p> | <p>You will be teaching English course book as prescribed by the school co-coordinating with local English teacher. Volunteers will organize various learning extracurricular activities through students for example, health and civic education, games, drawing, painting, sports activities, quiz contest, awareness raising activities in the community through students, debate, music class etc.</p> <p><u>Other Activities</u></p> <ul style="list-style-type: none"> ➤ Play education games with kids ➤ Develop manual according to the students need pritorizing to the listening and speaking classes. ➤ Go for hiking, educational tour.case study and other activities so that student can have the real experience in their learning pralice. ➤ Be a real model,think that student will like to follow what you do ,so forbid |

| | |
|---|--|
| | <p>smoking and drinking intoxicating things in front of students.</p> <ul style="list-style-type: none"> ➤ Run extra English language classes for students if they are eager to learn either after school or in holidays, i.e. if the school is closed. <p>Note: Volunteers should pay for outdoor activities:</p> <p><i>Above are sample activities where local host expects the help of volunteers.</i></p> |
| NUMBER OF VOLUNTEERS IN PROJECT | Maximum 2 volunteers can work at this project. Volunteers need to check with the hosting organization in advance to see if the project is still available. |
| HOST FAMILY & SITUATION  | <p>Volunteers will stay with Lok's family which is located 5 minutes walking distance from the school. This family has 5 members (Lok, his wife (Projina), two sons (one is 13 years old and the other is 9 months) and mother). Host family will provide accommodation and food for the volunteers and they need to share rooms with volunteers of other nationalities joining the same program.</p> <p>Volunteers will have their lunch at 9:00 to 9:30 and dinner at 7:30 to 8:00 pm.
