Anazitites Theatrou (Fix In Art) is mostly a self-funded socio-cultural hub initiative. It is a vision, an idea, a place of culture, a shelter or even better a home for theatre, music, plastic arts, dance, movies, literature and every form of creative expression. But above all it's a space where we still dream, we imagine and we create.

Our aim is to support creatives, amateurs and visionaries; to nurture and culture collaborations, build bridges of mobility, support learning for people of all ages and backgrounds, promote modern culture and all of the above in a space that is open and accessible to all without prejudice, in a building which is considered one of the most important industrial monuments of Greece, the old FIX brewery in Thessaloniki.
