### Important note

1. \*\* request for male participant upon consultation
2. Flexible vegetarian is still welcomed, BUT prefer NO STRICT vegetarian (vegan) in all project.
3. Local transport, domestic flight, visa cost and visa extension cost is not included
4. The pocket money for ICYE's LTV volunteer is IDR 300.000 / month (fixed rate for 2021 – 2022)
5. Arrival day of volunteers should be on **MONDAY**.
6. Window Dates:
  - a. August 2021:
    - Window dates: 1 – 2 August 2021
    - Starting dates: 3 August 2021
  - b. January 2022:
    - Window dates: 8 – 9 January 2022
    - Starting dates: 10 January 2022
  - c. City of Arrival / Airport  
Semarang city at Semarang Ahmad Yani International Airport
7. Age limit: 18 – 35 years old. Over 35 years upon consultation.
8. Meeting point and pick up at Semarang Ahmad Yani International Airport. We only provide the pick up on working days (Mon – Fri) from 08.00 AM to 09.00 PM. There will be no pick up on weekend (Sat – Sun)
9. The food and accommodation will be provided starting from the day of arrival at Dejavato's office. The volunteer who arrive earlier and before coming to Dejavato's office should cover the food, accommodation and other expenses by themselves.
10. Regarding the visa. Day of arrival / entry Indonesia counts as day one. Day of departure counts as full day. The volunteer should apply Social Visit Visa Type 211 at the Indonesian Embassy which valid for 60 days and can be extended maximum until 6 months with 4 times visa extension in between.
11. The volunteer is recommended to leave the country maximum 1 day or 2 days before the visa expired to avoid any immigration difficulties and avoid any unexpected situation
12. Please accept our apology that we are not open for volunteer with mentally disabilities and people with mobility and movement impairments
13. The program fees excludes all cost associated with the pandemic Covid-19 (Swab Test, board and lodging during quarantines, hospital, insurance etc)
14. The Government of the Republic of Indonesia implemented new health procedures aimed at screening international arrivals for entry into their territory. These protocols include requiring every entrant to submit to Polymerase Chain Reaction (PCR) tests to identify those who are infected with the coronavirus even without externally apparent symptoms. The protocols also require everybody to agree to be quarantined in government facilities. The participant should cover all the cost associated with the quarantine. If the entrant is in possession of a certificate proving that he/she is free from COVID-19 and

he/she has never been infected, they will be able to enter the country and just impose self-quarantine at the place where he is staying. Travelers will be interviewed and may be subject to additional checkups at the point of entry.

15. Pay attention to the duration of your stay: Volunteer should adjust your flight duration according to the days of your stay as below to avoid any problem with the immigration

No	Duration of stay	Description	Add Cost	Remark
1	2 months (60 days)	No visa extension		
2	3 months (86 days)	1 time visa ext	<b>40 Euro</b>	Pay in Cash
3	4 months (116 days)	2 times visa ext	<b>80 Euro</b>	Pay in Cash
4	5 months (146 days)	3 times visa ext	<b>120 Euro</b>	Pay in Cash
5	6 months (176 days)	4 times visa ext	<b>160 Euro</b>	Pay in Cash
<p>After 6 months the volunteer MUST LEAVE the country to apply new visa again at Indonesian Embassy in the nearest country for example in Singapore. For those who will stay over 6 months then entering Indonesian again and repeat the same procedure as above as well as add more the additional visa extension cost.</p> <p><b>Special note:</b> For certain countries, the Indonesian Embassy needs approval confirmation document from the immigration office in Jakarta called <b>Telex Visa</b>. Dejavato will help to obtain this letter and the volunteer will be charged additional cost amount <b>EUR 50</b> per letter.</p>

Wearing mask, wash hand regularly, physical distancing

<b>PROJECT #05</b>	
<b>NAME OF PROJECT</b>	<b>DJLTV – 2105 Pesantren Project</b>
<b>LOCATION</b>	These projects are located in Java Island <b>Terminal of arrival:</b> Semarang Airport, railway station (Volunteer is NOT ALLOWED to buy flight ticket before getting the visa and get confirmation from the host organization)
<b>COUNTRY</b>	Indonesia
<b>THEME OR TYPE OF PROJECT</b>	Edu/Culture

<b>PROJECT'S ACTIVITIES</b>	Pesantren or Pondok Pesantren is Islamic boarding schools in Indonesia. The pesantren education system originated from traditional Javanese dormitories to learn religious philosophies. Pesantren have played a major role over the centuries. They emphasise cores values of sincerity, simplicity, individual autonomy, solidarity and self-control. Young men and women are separated from their families, which contributes to a sense of individual commitment to the faith and close bonding to a teacher. Most of pesantren provide to Indonesian citizens dormitory living at low or no cost for the students. The students start activities early morning prayer then ended the evening with a study group in the dormitory. During the day, the students attend formal school like any other students outside of pesantren (science, sport, English etc). In the late afternoon and evening they have to attend religious studies. The pesantren has possible components such as traditional religious education, vocational skills training and character development. Those pesantren previously used to receive long term volunteers from Europe. By doing so, the volunteers will have better understanding about what is Islam

<b>PROJECT #09</b>	
<b>NAME OF PROJECT</b>	<b>DJLTV – 2109 Orphanage Project</b>
<b>LOCATION</b>	The project is located in Semarang, Central Java <b>Terminal of arrival:</b> Semarang Airport, railway station (Volunteer is NOT ALLOWED to buy flight ticket before getting the visa and get confirmation from the host organization)
<b>COUNTRY</b>	Indonesia
<b>THEME OR TYPE OF PROJECT</b>	Children
<b>PROJECT'S ACTIVITIES</b>	The projects host several children from different background and area of Indonesia. Normally they are brought to orphanage by community or their own parents. Living harmony inside and outside of orphanage is what the orphanage emphasizes. The children are given responsibility into daily task from morning until evening, no matter the ages. At the moment, they are hosting children from 3 years old until 21 years old. After finishing the high school, they are given option for working or going to the university. Normally the orphans will be no longer staying in the orphanage. Nevertheless, they still get basic life support from the orphanage until they can be independent financially. In managing the children, the care taker

	taught them to take care of their fellow friends. In this case, they will help each other in doing their responsibility. The orphanage also educates them to be an independent through giving them on entrepreneur skills and an opportunity to practice their skills. Nevertheless, formal education is the most important for all of them. They pray, play, learn, laugh, and support each other.
<b>VOLUNTEER'S REQUIREMENTS</b>	No piercing on face, no visible tattoo, should have common hair style (no colorful, dreadlock rasta) and submit additional document Certificate of Good Conduct from the police. The volunteer should be open-minded, tolerant, creative, flexible, patient, respect the local customs and local's rule, sharing , special drive for adolescent and youngsters, willing to accept basic living condition in the project site, and be confidence. <b>COUNTRY</b>	Indonesia
<b>THEME OR TYPE OF PROJECT</b>	Edu/Cult
<b>PROJECT'S ACTIVITIES</b>	Japanese language and culture has entered Indonesian education curriculum in the recent years. Japanese language and culture start being introduced for High School students. In this level, they learn basic Japanese language such as greeting, vocabulary and constructing simple sentences. Besides that, they also learn about its culture. Sometime, the

	<p>school makes Japanese culture festival in the end of the year. In university level, it has become major of studies. Student, who is under language department, is also given option to learn Japanese language and culture as their minor studies. This language is getting famous and wide spread taught over Indonesian school. Many Japanese investors invest their share in Indonesia. Japanese Language and Culture is combination among some high schools and universities in Central Java Provinces. In high school level, Japanese language is given one time in a week for 2 hours. In university which has Japanese language and culture major, the students learn deeper the language, such as grammatical, pronunciation, vocabulary, history, art, Japanese letter etc.</p>
