Entrance Regulation due to Covid-19 Condition

Indonesia has lifted all Covid-19 travel restrictions, including the mandatory vaccination requirement for both international and domestic travelers. This move comes as a result of the government's review of ongoing management of Covid-19 in the country and adjustment of control mechanisms to health protocols during the endemic transition period. Unvaccinated travelers are now permitted to enter Indonesia and travel domestically within the country

Visa Information

Due to the Covid-19 pandemic, restrictions for entry into Indonesia apply. Entering Indonesia requires a valid visa or a stay permit. Visa application is centrally managed by the Indonesian Immigration. Starting on 30 June 2022, the Indonesian Government begins to issue new visa regulation applicable for entry through. The visa regulation and requirements has been updated again per 9 January 2024. The procedures are now more complicated and challenging, so please be aware and pay attention carefully.

Volunteer is required to have an Electronic Visit Visa Single Entry e-Visa type C-6. Volunteer MUST submit all required visa documents to Dejavato. Dejavato as the host organization is responsible to manage and

apply for the visa. As the visa status is Single Entry Visa means that the visa can only be used once time to enter Indonesia. Once the volunteer leaves Indonesia, then the visa will be automatically expired (cannot be used anymore). The volunteer must apply new second e-Visa again to enter Indonesia. Dejavato cannot facilitate the volunteer who request for new second e-Visa (except for those who are going to join the project for more than 6 months)

Here are some required documents for visa application:

1. Scan of applicant's valid passport identity in COLOR. The Passport must be valid for 12 months after the arrival date in JPG format size 100 – 400 KB
2. Scan of your passport's cover in COLOR in JPG format size 100 – 400 KB
3. A colored passport-style photograph in JPG format sized 100 – 400 KB
4. Proof of funds of at least US\$ 2000 (two thousand US dollars) or equivalent to support the cost of living of foreign nationals in Indonesia (in JPG format size 100 – 400 KB)
5. Flight tickets to enter Indonesia and out of it (round trip)

Important Notes

1. The first day of arrival / entry Indonesia counts as day one. Day of departure counts as full day. The valid for 60 days and can be extended every 60 days with maximum stay for 180 days (more or less 6 months). The duration of visa validity is counted based on days NOT number of month.
2. The volunteer is recommended to leave the country maximum 1 day before the visa expired to avoid any immigration difficulties and avoid any unexpected situation such as flight delay, technical problem, weather situation etc
3. Pay attention to the duration of your stay: Volunteer should adjust your flight duration according to the days of your stay as below to avoid any problem with the immigration

5. Flight tickets to enter Indonesia and out of it (round trip)

Important Note

1. The visa requirements should be submitted maximum 2 months before the project started. Because the visa process takes about 10 – 15 working days and very challenging process
2. The first day of arrival / entry Indonesia counts as day one. Day of departure counts as full day. The valid for 60 days and can be extended every 60 days with maximum stay for 180 days (more or less 6 months). The duration of visa validity is counted based on days NOT number of month.
3. The volunteer is recommended to leave the country maximum 1 day before the visa expired to avoid any immigration difficulties and avoid any unexpected situation such as flight delay, technical problem, weather situation etc

4. Pay attention to the duration of your stay: Volunteer should adjust your flight duration according to the days of your stay as below to avoid any problem with the immigration

STEPS	VISA	DESCRIPTION	VISA DURATION	NORMAL VISA FEE
I	First e-Visa (electronic single entry visa) Either for 1 or 2 months project (30 – 60 days)	Application online visa by Dejavato via Immigration Application Channel Payment must be transferred visa WISE online transfer before starting applying the visa	60 days	Rp. 2.000.000,- (more or less 130 Euro) Payment via Online transfer before coming to Indonesia This fee is NON-refundable once it's paid to the immigration whether the visa approved or rejected by the immigration.
II	1 st Extension Either for 3 or 4 months project (90 – 120 days)	Immigration office in Indonesia Note: For the 1 st extension, the applicant usually presence in person to the immigration office for taking photo and finger prints	60 days	Rp. 1.575.000 (around 90 Euro) Must be paid visa WISE online transfer before the project started / extended / before entering Indonesia NON-REFUNDABLE / NON-REIMBURSEMENT
III	2 nd Extension Either for 5 – 6 months project (150 – 180 days)	Immigration office in Indonesia & Department of Justice & Human Right	60 days	Rp. 1.575.000 (around 90 Euro) Must be paid visa WISE online transfer before the project started / extended / before entering Indonesia NON-REFUNDABLE NON-REIMBURSEMENT
<ol style="list-style-type: none"> The FIRST APPLICATION ONLINE VISA FEE amount Rp. 2.000.000,- should be transferred to visa WISE Online Transfer to Dejavato's bank account The visa fees is NON-refundable when your visa application is rejected by the immigration of due to your participation cancellation Even you join the project only for 1 month or 30 days, still you have to pay for the visa fee contribution for IDR 1.575.000. Another example, if you stay for the project for 3 months, it's also the same that you have to pay for the visa fee for 4 months. According to the Indonesian immigration rule that foreigners only allow to stay in Indonesia maximum for 6 months (180 days) with two times visa extension in between every 60 days. After that you have to leave the country and enter Indonesia again with new visa. If you wish to continue the program for more than 6 months or 180 days, you can leave to the nearest country such as Singapore / Malaysia / Thailand / the Philippines and then re-enter Indonesia again with the new e-Visa. You start the new process again from the beginning of visa application. You must cover all the cost when leaving the country or travelling abroad 				

7. It's recommended that you better leaving the country at least 1 day before your visa expired to avoid any unexpected trouble and to avoid overstay cases which is illegal according to Indonesian Immigration Law.

PROJECT #05

NAME OF PROJECT	DJLTV – 2405 Islamic Pesantren Boarding
LOCATION	These projects are located in Java Island Terminal of arrival: Semarang Airport, railway station (Volunteer is NOT ALLOWED to buy flight ticket before getting the visa and get confirmation from the host organization)
COUNTRY	Indonesia
THEME OR TYPE OF PROJECT	Edu/Culture
PROJECT'S ACTIVITIES	Pesantren or Pondok Pesantrens are Islamic boarding schools in Indonesia. The pesantren education system originated from traditional Javanese dormitories to learn religious philosophies. Pesantren have played a major role over the centuries. They emphasise cores values of sincerity, simplicity, individual autonomy, solidarity and self-control. Young men and women are separated from their families, which contributes to a sense of individual commitment to the faith and close bonding to a teacher. Most of pesantren provide to Indonesian citizens dormitory living at low or no cost for the students. The students start activities early morning prayer then ended the evening with a study group in the dormitory. During the day, the students attend formal school like any other students outside of pesantren (science, sport, English etc). In the late afternoon and evening they have to attend religious studies. The pesantren has possible components such as traditional religious education, vocational skills training and character development. The main activities include formal and non-formal English conversation activities; interactive learning activities with students, education, and to get better understanding about Islam. The level of pesantren started from elementary / Madrasah Ibtidaiyah (MI) age 6 – 12 yo, junior high / Madrasah Tsanawiyah (MTs) age 12-15 yo, senior high / Madrasah Aliyah (MA) and vocational high school / SMK age 16 – 18 yo)
VOLUNTEER'S REQUIREMENTS	No piercing on face, no visible tattoo, common hair style (no colorful, dreadlock). The volunteer should be open-minded, tolerant, creative, flexible, patient, respect the local customs and local's rule, sharing , special drive for adolescent and youngsters, willing to accept basic living condition in the project site, and be confidence. Never been found guilty in a criminal case in volunteer's home country or in another country. Strictly prohibited posses narcotics, marijuana, opium, stimulants or other drugs. No vegan (strict vegetarian), but flexible vegetarian is still welcomed. Please accept our apology that we are not open for volunteer with mentally disabilities and people with mobility and movement impairments such as limitation on physical functioning, blindness, deft, epilepsy, sleep disorders etc)
VOLUNTEER'S TASKS	Intercultural activities through game, music, presentation, discussion and else; Assisting local teachers in conducting the class; Organizing class activities together with local teachers;; Introduction volunteers culture through games, music, dance, or else. Motivating the students actively using their English through interactive learning with volunteers through organizing non formal activities
