Entrance Regulation due to Covid-19 Condition

Unvaccinated travelers are permitted to enter Indonesia and travel domestically within the country

Visa Information

Entering Indonesia requires a valid visa or a stay permit. Visa application is centrally managed by the Indonesian Immigration. Starting on 30 June 2022, the Indonesian Government begins to issue new visa regulation applicable for entry through. The visa regulation and requirements has been updated again per 9 January 2024. The procedures are now more complicated and challenging, so please be aware and pay attention carefully.

Volunteer is required to have an Electronic Visit Visa Single Entry e-Visa type C-6B. Volunteer MUST submit all required visa documents to Dejavato. Dejavato as the host organization is responsible to manage and apply for the visa. As the visa status is Single Entry Visa means that the visa can only be used once time to enter Indonesia. Once the volunteer leaves Indonesia, then the visa will be automatically expired (cannot be used anymore). The volunteer must apply new second e-Visa again to enter Indonesia. Dejavato cannot facilitate

the volunteer who request for new second e-Visa (except for those who are going to join the project for more than 6 months)

Here are some required documents for visa application:

1. Scan of applicant's valid passport identity in COLOR. The Passport must be valid for 12 months after the arrival date in JPG format size 100 – 400 KB
2. Scan of your passport's cover in COLOR in JPG format size 100 – 400 KB
3. A colored passport-style photograph in JPG format sized 100 – 400 KB
4. Proof of funds of at least US\$ 2.000 (two thousand US dollars) or equivalent to support the cost of living of foreign nationals in Indonesia (in JPG format size 100 – 400 KB)
5. Flight tickets to enter Indonesia and out of it (round trip)

Important Note

1. The visa requirements should be submitted maximum 2 months before the project started. Because the visa process takes about 10 – 15 working days and very challenging process
2. The first day of arrival / entry Indonesia counts as day one. Day of departure counts as full day. The valid for 60 days and can be extended every 60 days with maximum stay for 180 days (more or less 6 months). The duration of visa validity is counted based on days NOT number of month.
3. The volunteer is recommended to leave the country maximum 1 day before the visa expired to avoid any immigration difficulties and avoid any unexpected situation such as flight delay, technical problem, weather situation etc
4. Pay attention to the duration of your stay: Volunteer should adjust your flight duration according to the days of your stay as below to avoid any problem with the immigration
5. For more detail please read the Visa Regulation Documents provided by Dejavato. Please ask your organization

TITLE : Islamic Pesantren Boarding
TYPE : Edu/Child/Teen/Culture
PERIOD : Open (except June, July, Dec & Ramadan)

INTRODUCTION

MAIN AIMS AND ACTIVITIES

Pesantren or Pondok Pesantrens are Islamic boarding schools in Indonesia. The pesantren education system originated from traditional Javanese dormitories to learn religious philosophies. Pesantren have played a major role over the centuries. They emphasise core values of sincerity, simplicity, individual autonomy, solidarity and self-control. Young men and women are separated from their families, which contributes to a sense of individual commitment to the faith and close bonding to a teacher. Most of pesantren provide to Indonesian citizens dormitory living at low or no cost for the students. The students start activities early morning prayer then ended the evening with a study group in the dormitory. During the day, the students attend formal school like any other students outside of pesantren (science, sport, English etc). In the late afternoon and evening they have to attend religious studies. The pesantren has possible components such as traditional religious education, vocational skills training and character development. The main activities include formal and non-formal English conversation activities; interactive learning activities with students, education, and to get better understanding about Islam. The level of pesantren started from elementary / Madrasah Ibtidaiyah (MI) age 6 – 12 yo, junior high / Madrasah Tsanawiyah (MTs) age 12-15 yo, senior high / Madrasah Aliyah (MA) and vocational high school / SMK age 16 – 18 yo)
